## Student Council

The officers of each class and a member chosen by them comprise our Student Council, which represents the students in school affairs. Many worthy projects have been undertaken by this group in past years.

During the 1951-52 school year, we worked especially hard during the March of Dimes Drive. We are proud to say that we have started Herrin High School's first noon recreational program. We assisted in selling tickets at basket-

ball games and cleaned the trophies. Mr. Eckert has again served faithfully as our adviser.

The members this year are the following: Seniors—Robert Noe, Marilyn Melvin, Sondra McGhee, Barbara Furst; Juniors—Joan Tidwell, Juliann Cronin, Margie Walker, Ronnie Mitchell; Sophomores—Clark Absher, Norman Venegoni, Sara Beth Hodges, Carolyn Houston; Freshmen—John Agers, Robert Winechester, Ann Sharp, Millicent King. The president selected for 1951-52 was Robert Noe.

*There was an old woman  
Who lived in a shoe;  
She had many children  
That is quite true;  
(About six-hundred and sixty-two);  
But being ingenious,  
She knew what to do.  
She is holding open house.  
Will you follow us through?*

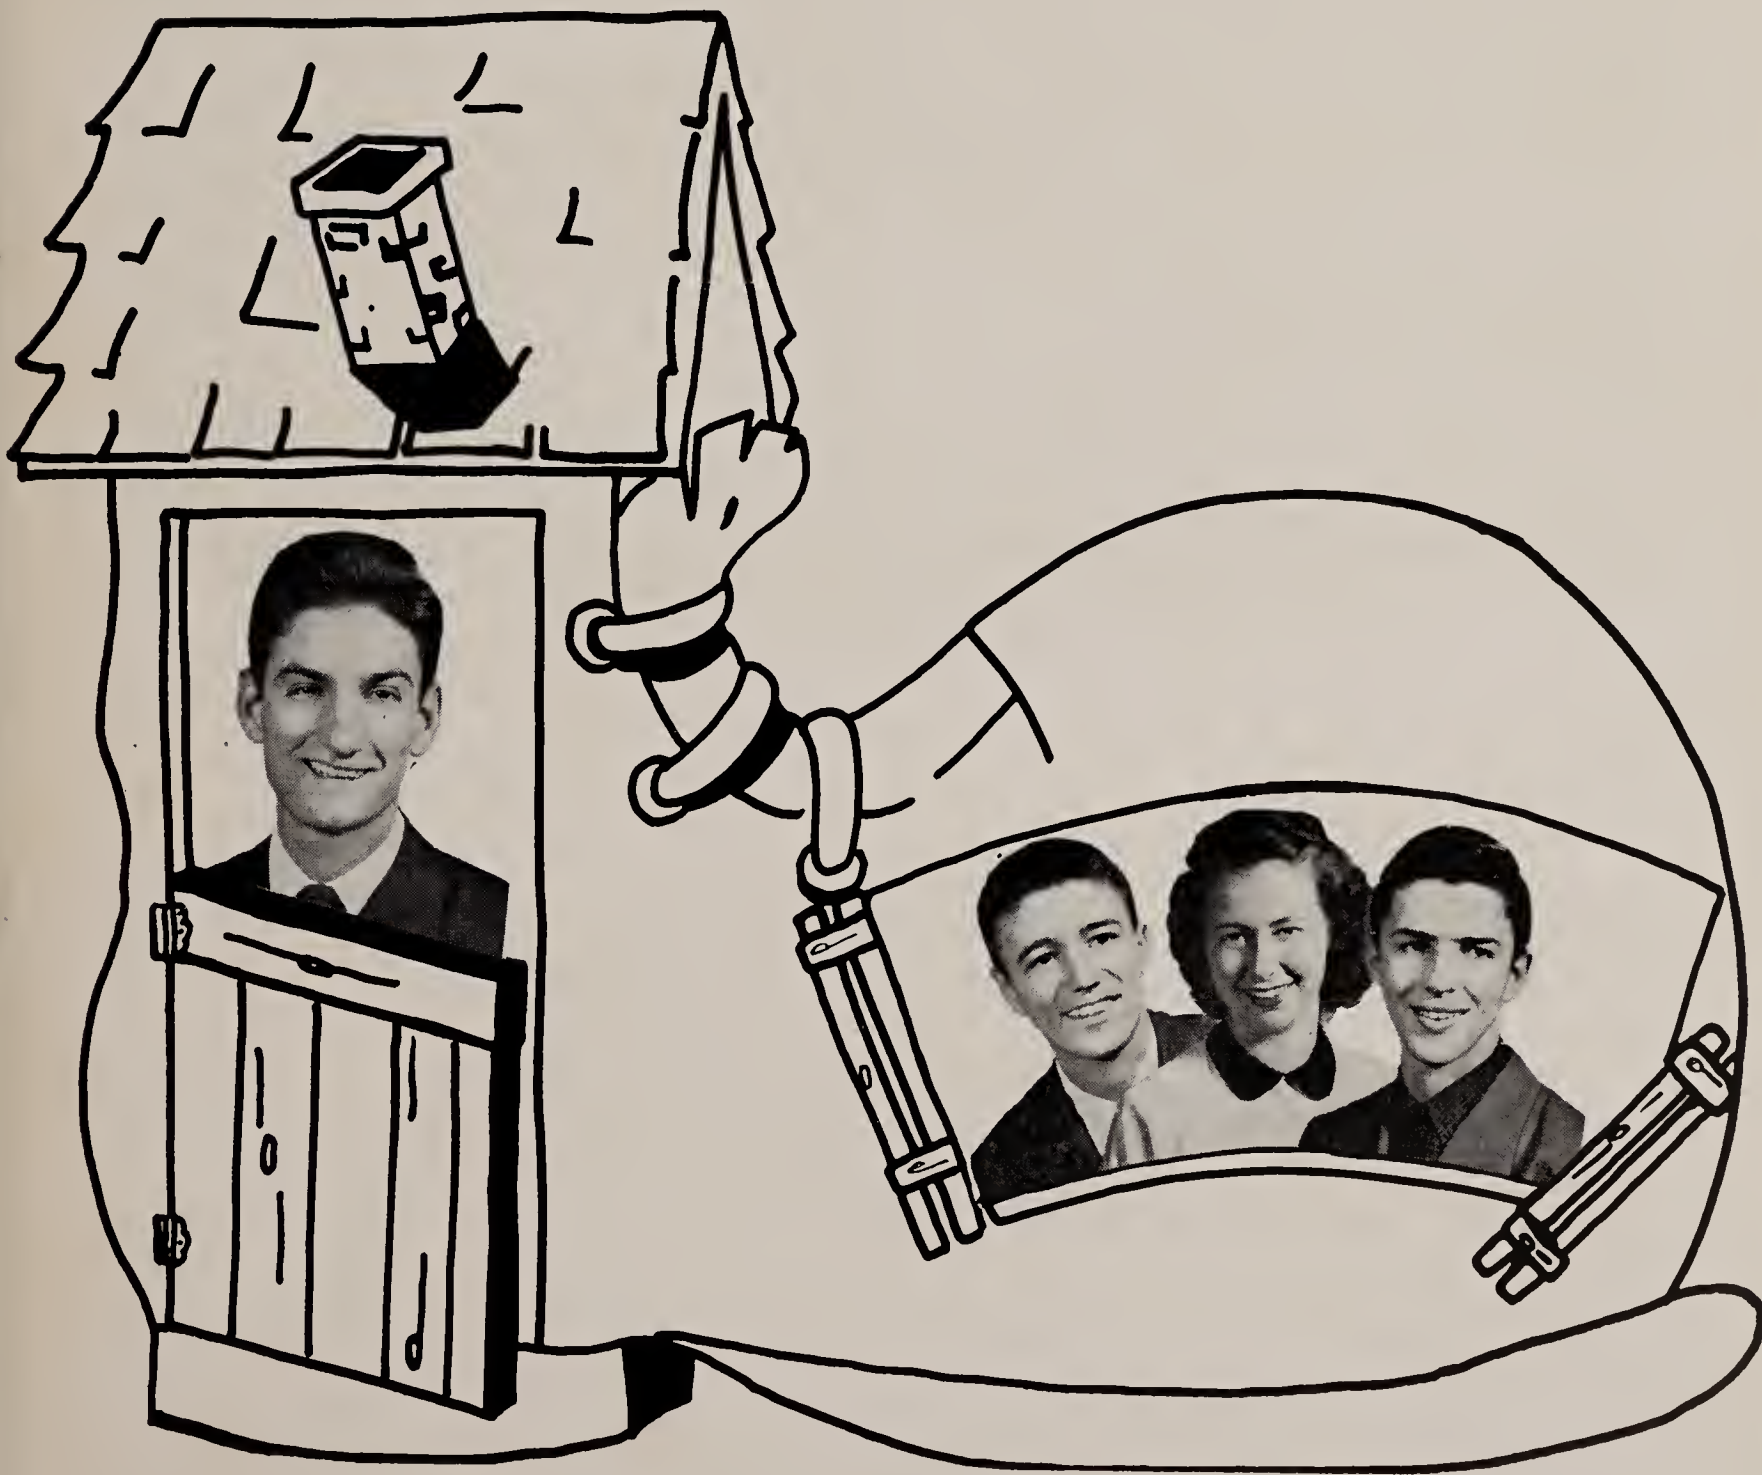

*She taught them well  
The many things she knew—  
To speak and to write,  
To cook and to sew,  
To paint and to draw,  
To make sweet music  
And a chemical brew.*

*History helps an empty head;  
Typing will stand them in good stead,  
(so she said);  
Latin and biology,  
And a bit of psychology,  
French and math,  
Are useful too.  
It was a rich full course  
To nourish brain and sniew.*

### REMEMBER . . .

All the good times we've had these past four years at H. T. H. S. In spite of the study and hard work, we did have fun, didn't we? Remember the crowded study hall at the Elks' Home, Latin at the Baptist Church, English I at the Christian Church, and assemblies at the Methodist Church, where we learned what we were to do and what we should have done? Remember "how we strutted our stuff" at Homecoming, the biology meets, the glorious prom, and finally at Graduation? Now as we direct our thoughts to the future, we realize that these four brief years will always be among our treasured memories.

## National Honor Society

The National Honor Society is an organization composed of students chosen by a committee of faculty members. The students are selected into this society on the basis of character, scholarship, leadership, and service. No higher honor can be conferred upon any student of Herrin High School than membership in this organization.

This society is a part of a national organization. Every year each rschool may select for its membership a maximum of 5 per cent of its junior class and an additional 10 per cent of the senior class. This year juniors had to maintain a scholastic average of 4.25. The

newly elected members were initiated at a very impressive ceremony. New members received their charge to maintain the fundamentals of the organization from the old members.

The members from last year were Barbara Furst, Sandra Herrin, Robert Noe, Richard Pisoni. New members were Anita Catani, Barbara Clark, Juliann Cronin, Mary Alice Lewis, Sondra McGhee, Shirley Jo Lemons, Marilyn Melvin, Joan Rogers, Miriam Sawyer, Joan Tidwell, Peggy Vallett, Jessie West, Beverly Zook, Keith Bennett, Jerry McCormick, Carl Mitchell, Ronnie Mitchell. The president selected for 1951-52 was Barbara Furst.

*She let them leap and jump  
And also run.  
It was good for health  
And lots of fun,  
They carried the pigskin;  
They dribbled a ball.  
They were good sports,  
Strong and tall.*

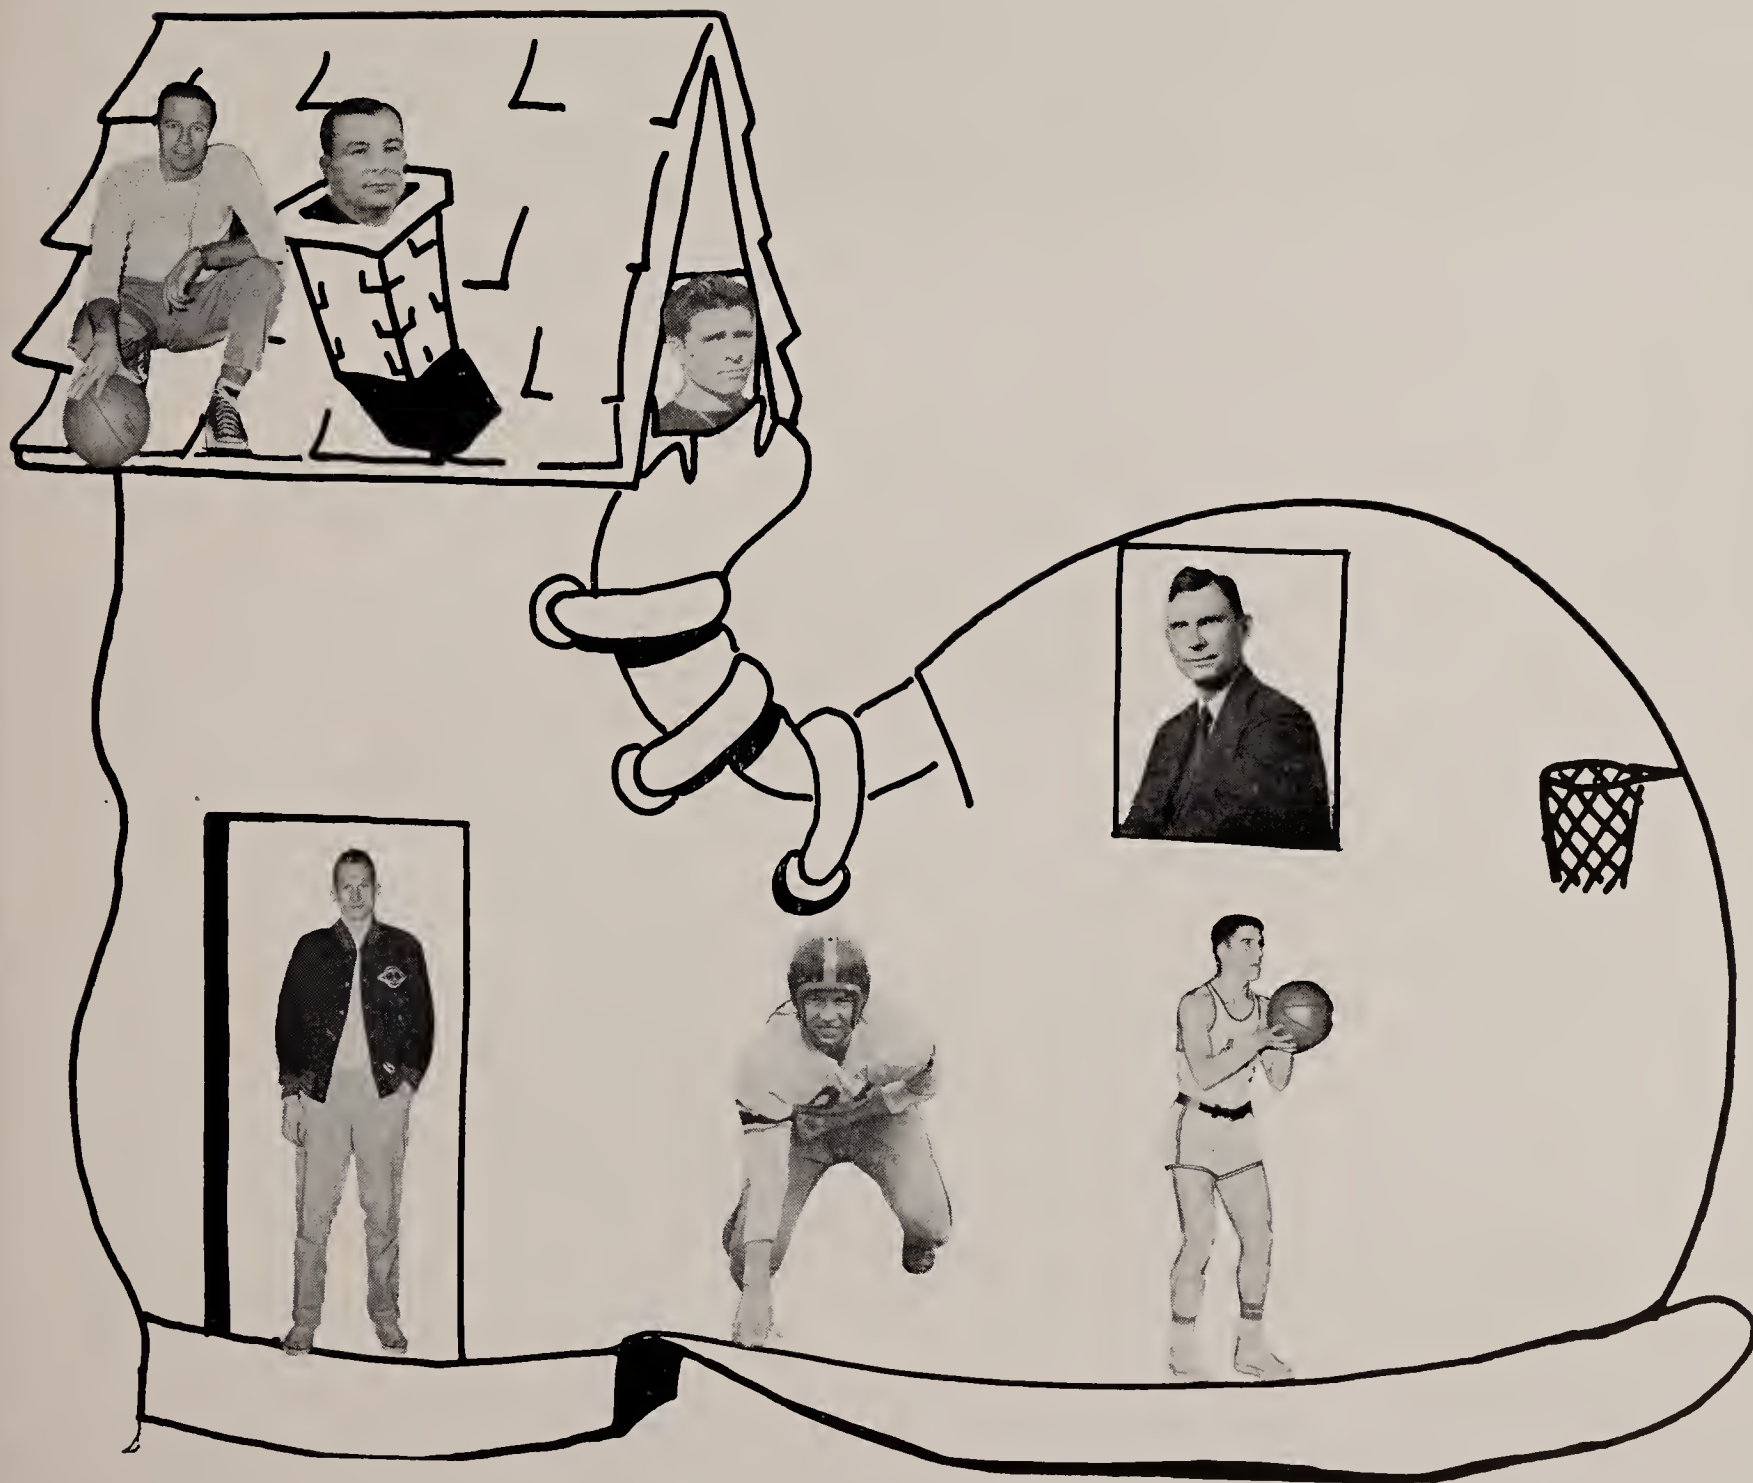

*She did not give them broth  
Without any bread  
Or whip them soundly  
And put them to bed,  
But she nourished them well  
On potatoes and ham,  
Beans, bread, and stew  
Salad, milk, and fruit  
Pie, and ice cream, too.*

*(If you'd eat all this,  
you'd have muscles too.)*

### HI-LIGHTS OF THE SEASON

1. Blair Absher's 45 yard run which defeated Carbondale.
2. The Jack Burke to Charles Smith brilliant passing combination, which completed 13 out of 16 passing attempts, and upset the strong Benton team.
3. Hard running backs, Donahue and Restivo, who pounded strong defensive walls all year long.
4. The brilliant leadership of Captain Paul Sexton completing four years of fine football for the Tigers and his being awarded the Elks' Most Valuable Player Award.
5. The eleven-man Tiger squad working as one giant machine in an overpowering 48-0 conquest of their arch rival, Marion—the worst drubbing handed Marion in several years.

## FOOTBALL REVIEW

**HERRIN-ZEIGLER**—Although Zeigler had practically every man back from last year's team, the best they could do against Herrin's inexperienced eleven was to eke out the score of 7-0. This was the same team that beat last year's Tigers by the same score.

**HERRIN-CARBONDALE**—This time Herrin came out the best on a 7-0 score as the Terriers humbly accepted defeat.

**HERRIN-CENTRALIA**—Those big boys with all their experience proved too much for the

smaller but fighting Tigers. The game ended with the Tigers on the losing end of a 49-6 decision.

**HERRIN-WEST FRANKFORT**—Again experience told the tale as Frankfort took full advantage of the Tigers' lack of experience and pounced on the ball to win 21-6.

**HERRIN-BENTON**—For a while Benton gave the Tigers a scare when they started creeping up close at the last of the game, but Herrin came out on top 13-12.

## FOOTBALL REVIEW

**HERRIN-HARRISBURG**—Harrisburg threw a damper on what would have been a perfect homecoming except for the score of the ball game. While holding the Tigers scoreless, Harrisburg drove across the line for 51 points. Remember those "Giants"?

**HERRIN-MT. VERNON**—The Tigers had scarcely recovered from the tragic defeat of the homecoming game, and the Rams caught them unawares to the tune of 38-12.

**HERRIN-JOHNSTON CITY**—This was supposed to be Johnston City's best year in football, but the Tigers held them to less yardage gained on the ground than any other team that the Indians played during the year. The score—Johnston City 24, Tigers 7.

**HERRIN-MARION**—All in all, the Tigers had a perfect season. Marion never knew what hit them as the Tigers steamrolled over them for 48 points while holding Marion scoreless.

1. Tremendous scoring spree of Carl Mitchell as he scored 141 points in six consecutive games for an average of  $23\frac{1}{2}$  points per game.
2. Two brilliant comeback victories over arch-rival Marion after taking a drubbing at home—Tigers then defeating Wildcats at Marion and at West Frankfort Pyramid Tourney.
3. Defeating Harrisburg for first time since re-entering conference in 1949.
4. Bill Donahue's receiving the Ministerial Award for good sportsmanship.
5. The Tigers proving that hustle and determination could overcome advantages in height and experience as they lost by only nine points in the tough battle with the powerful Centralia Orphans, rated the second best quintet in the state.
6. The Tiger fans showing fine expressions of confidence and appreciation as the Tigers were feted at banquets by the fans, Elks, and Lions.
7. The Elks' Most Valuable Player Award going to Bill Donahue.

*She planned many things  
For them to do  
For fun and amusement  
Both old and new.  
They danced and sang  
And marched in a parade;  
They shouted and yelled  
For the team when it played.  
There were parties and clubs  
And of banquets a few.*

*Children have much energy  
And make lots of noise;  
So she coached them in drama  
To give them some poise.  
She was a wise old woman  
Who lived in a shoe,  
And often she said,  
"Keep children busy  
And they won't do  
So many things  
Which later they'll rue."*

# Language Class Party

On March 21, the foreign language classes held their annual party. The theme this year was Mt. Olympus. Had the citizens of Herrin been watching the streets about 7 o'clock of this evening, they would have seen the gods of old, dressed in their dazzling raiment, wending their way to H. T. H. S., where they partook of nectar and ambrosia and made merry with music, dancing, song, and drama.

The Teenarian Club has been called a junior Rotary Club. The Herrin Rotary Club helps to sponsor our club. Each boy is assigned to a Rotarian mainly because the Rotarian has a vocation in which the boy is interested. The Rotarian is expected to contact his "Teenarian" boy and give him counsel and guidance and to tell him about his vocation.

Our club meets Thursday at noon. After the luncheon there is a program. Most of them this year were by members of the Herrin Rotary Club. Mr. Glen Thurman was chairman of the Rotary Club's Teenarian committee this year and assigned the speakers.

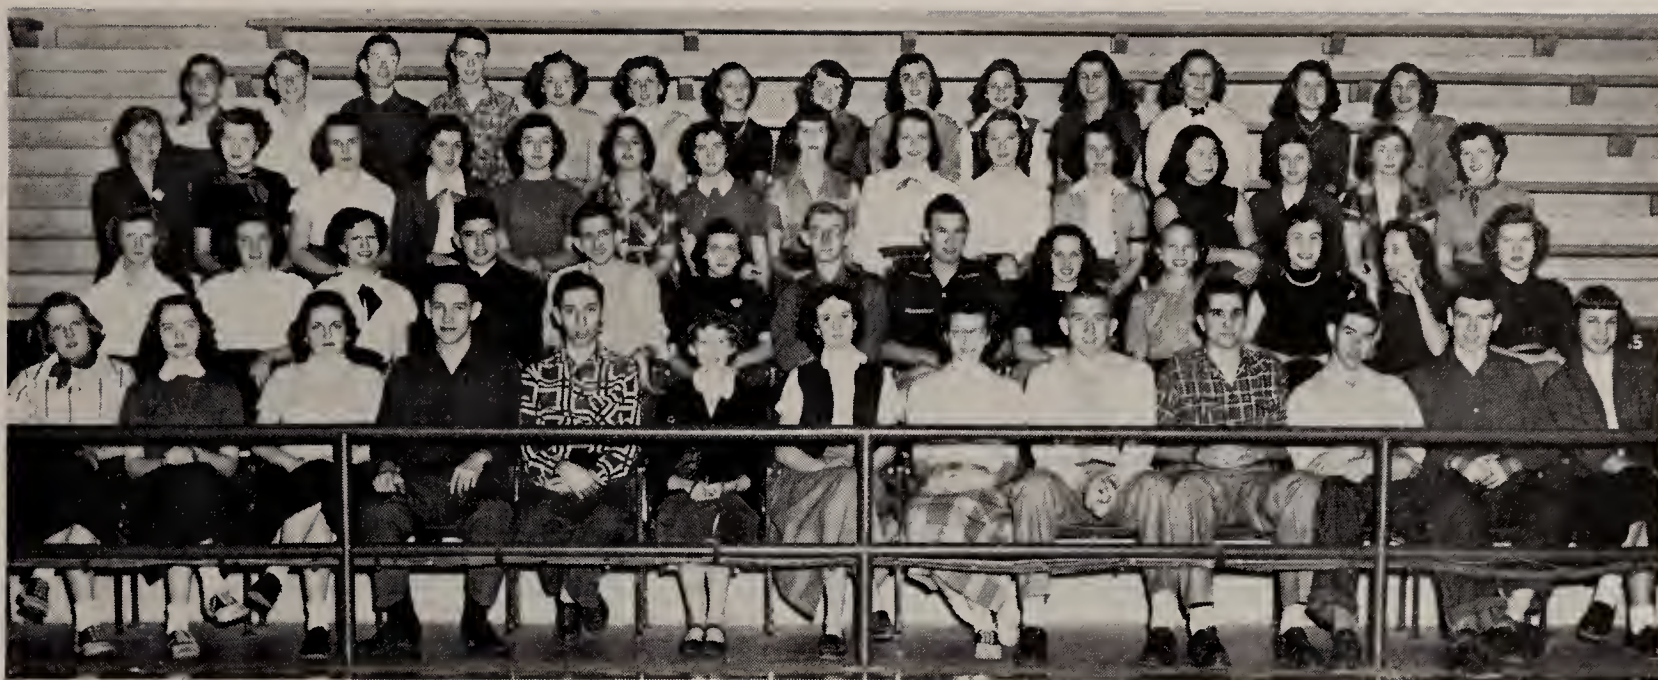

This year our club started off with a membership of about fifty. All four classes were represented in the membership.

## THE CREED OF FUTURE FARMERS

I believe in the future of farming, with a faith born not of words but of deeds—achievements won by the present and the past generations of farmers; in the promise of better days through better ways, even as the better things we now enjoy have come up to us from the struggles of former years.

I believe that to live and work on a good farm is pleasant as well as challenging; for I know the joys and discomforts of farm life and hold an inborn fondness for those associations which, even in hours of discouragement, I can not deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the

ability of organized farmers to serve our own and the public interest in marketing the product of our toil. I believe we can safeguard those rights against practices and policies that are unfair.
